Sarita crystal chandelier collection

The Sarita crystal chandelier exudes elegance and timeless sophistication, with cascading tiers of precision-cut K9 crystal that shimmer with every movement. Set within a refined aged brass or polished chrome frame, its form blends luxurious detail with a traditional silhouette, creating a statement that is as dramatic as it is graceful. Available in multiple sizes, Sarita can transform a range of settings—from soaring voids and grand entryways to dining rooms and even intimate spaces like bedsides. Both the 5- and 10-light versions offer a close-to-ceiling configuration, making them a refined choice for lower ceilings without losing impact. A matching flush mount and wall sconce complete the collection, allowing for a cohesive lighting scheme throughout the home. With its balance of glamour, craftsmanship, and versatility, Sarita delivers a centrepiece that will captivate for years to come.

TIP:

Enhance Sarita's crystal sparkle by positioning it where it can catch both natural daylight and evening illumination. Pair with warm-toned walls or textured fabrics to amplify its golden glow, or contrast with cool palettes for a striking, contemporary take on traditional elegance.
