

Sarita Crystal Table Lamp in Polished Chrome

SKU: 261539

Details

The Sarita table lamp features a layered K9 crystal shade paired with a metal base, available in aged brass or chrome finishes. The faceted crystal drops create a tiered silhouette that reflects light beautifully while adding a refined decorative element. The crystal shade disperses light through the cut surfaces to produce a soft, sparkling glow. This layered effect adds warmth and depth while highlighting the detail of the crystal. Compact yet striking, the Sarita table lamp works well in living rooms or bedrooms, where its crystal detailing introduces a sense of classic elegance while providing ambient lighting.
