

Sentinel 12V In Ground Spot in Black

SKU: 220308

$84.95 (inc GST)

Details

The Sentinel 12V In-Ground light offers a practical and discreet outdoor lighting solution, ideal for illuminating garden pathways, landscaped areas and highlighting architectural features. Designed to sit flush with the ground for a neat, unobtrusive finish, it accommodates an MR16 globe, allowing you to customise the lighting to suit your outdoor space. Part of the 12V garden lighting range, it is compatible with a DIY quick connector for a simple, watertight connection. Available in Black and Stainless Steel finishes.
