

# Sofia 400mm Drum Shade Ring Only in White

SKU: 090804

$9.95 (inc GST)

**Details**

Build or refresh your shade with the Lucci Sofia 400mm Drum Shade Ring Set in White. This metal ring component provides the framework for a matching 400mm Sofia fabric shade, letting you choose the fabric colour separately to suit your lighting and interior.

**Designed for Sofia Shade Fabric**

Use this ring set with 400mm Sofia drum shade fabric. The matching fabric clips onto the rings and fastens with Velcro at the seam to create the finished shade. This listing is for the ring component only, not a fabric shade or a complete light fitting. Shade fabric is required and sold separately.

**Choose Your Colour**

Pair the rings with 400mm Sofia linen fabric in White, Oat, Tan, Grey, Moss Green or Black. Matching the ring and fabric sizes is essential. The completed 400mm shade is 250mm high, offering a consistent drum profile whichever colour you choose.

**Flexible Lighting Options**

The completed Sofia shade can be used with a compatible lamp base, batten fitting or pendant suspension, including suitable DARLY II bases, CREATE II suspensions and DARLY DIY suspensions. The Sofia shade system suits ES/E27 lamp holders and BC/B22 lamp holders with the shade adapter. Check your selected fitting before pairing. Fabric, lamp bases, suspensions and globes are sold separately.

**Explore the Sofia Range**

Sofia shade fabrics are available in White, Oat, Tan, Grey, Moss Green and Black, in 300mm, 400mm and 500mm diameters.

**Warranty**

Includes a 12-month warranty.
