

Solis 1 Light Large Pendant in White with Frosted Opal Glass

SKU: 011813

Details

The Solis pendant features an elegant wire-framed shade surrounding a frosted opal glass centre for a layered, contemporary look. Available in bronze, black or white with frosted opal glass, and in two sizes, the metal frame contrasts beautifully with the softly diffused light within. Choose a single pendant as a feature over an island bench, or mix the two sizes to create a grouped cluster. Its elongated organic form creates visual interest without feeling heavy in the room. Solis is a versatile statement piece for kitchens, dining areas and living spaces.
