

Sphere LED Wall Bracket in Aged Steel with Frosted White Tubes

SKU: 020312

Details

Enhanced with colour-switching LED technology, the Sphere is an exceptional statement piece like no other. A series of adjustable rings can be suspended in a variety of ways, allowing you to create your own unique design. Dim the lights and change the mood of the room by switching the colour temperature via the wall switch. Available in 1, 2 and 3 light ring pendants and matching wall bracket, this minimalist masterpiece is a stunning addition to your interior.
