

Strix III 1.2m Plate Shade Only in Brushed Nickel

SKU: 028178

Details

Strix III Decorative Shades Collection

Transform the sleek and minimalist Strix III LED linear pendants with a stunning range of decorative shades, sold separately to offer ultimate customisation. These shades are designed to complement the pendant's clean lines while creating a distinctive look to suit various interior styles.

Featuring a contemporary, metallic finish, the flat plated shades are available in aged brass, bronze, or brushed nickel—perfectly coordinating with tapware and kitchen hardware.

The Strix III pendant itself, sold separately, features advanced LED technology, including adjustable CCT for custom colour temperatures and dimming capabilities, making it ideal for any setting. Together, the pendant and shades provide a versatile mix-and-match solution for modern lighting design.
