

Sunset Opal Solar LED Wall Bracket with Sensor in Black

SKU: 221015

Details

The Sunset solar Opal wall bracket delivers efficient, wire-free lighting with a sleek, modern profile. Designed for outdoor walls with direct sun exposure, it combines a solar-powered linear bar with intelligent sensor modes for adaptable illumination. Equipped with a 120° PIR motion sensor and three selectable settings – DIM, AUTO and ON – it offers flexibility for different outdoor needs. At full charge, it provides up to 12 hours of light in 30% mode or 3.5 hours at full brightness. With an IP65 rating for coastal suitability and a durable PC and aluminium construction, the Sunset solar wall bracket is a low-maintenance, DIY solution for reliable exterior lighting. Backed by a 5-year warranty.

Specifications
