Tahitian II 132cm Fan with Light in White

SKU: 213270

Details

Inspired by breezy island living, the Tahitia II fan features sculptural blades shaped like palm leaves, bringing a relaxed, tropical feel to alfresco settings. Its 52 inch span delivers comfortable airflow, ideal for creating a resort-style atmosphere in covered outdoor spaces.
Available in white and bronze with natural blades.

AC Motor - Reliable, Affordable, and Versatile

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

Wall Switch

3-speed wall switch included.

Integrated Light

Light kit comes included that uses a GX53 globe (sold separately).

Alfresco Rating

Suitable for indoor and alfresco areas provided the fan is fully undercover, protected from water, wind, dust, and salt, with a minimum of 2 walls.

Recommended Room Size

For rooms between 3m x 3m and 4m x 4m, we recommend a fan between 122cm and 142cm.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
