

Ted Solar Rechargable Multi-Functional LED Utility Light in Assorted Colours

SKU: 221115

Details

Ted is a versatile solar-rechargeable camping light designed for outdoor functionality and convenience. Featuring four distinct lighting modes – a 3-step dimmable main light, amber night-light, torch, and SOS mode – it offers reliable illumination for a variety of camping scenarios. With an IP65 rating and durable plastic construction, the Ted is built for rugged environments. It provides up to 6 hours of operation at full brightness and can be recharged via USB-C in 8 hours or by solar in 36 hours. Available in black, green or blue, the Lucci Ted can be hand-held, hung by the integrated hook or magnetically attached to metal surfaces, offering adaptable lighting wherever it's needed.

Specifications

SKU	221115
