

Terra 1 Light Table Lamp in Beige Marble with White Linen Shade

SKU: 271619

Details

Two slender cylinders of beige marble form the geometric base of the Terra Table Lamp, showcasing rich texture and natural variation. The clean white linen shade sits above, offering a crisp contrast to the warmth of the stone. Its compact proportions make it well suited to bedsides, consoles, or living room corners. Crafted from marble and linen, the Terra Lamp pairs classic materials with a quiet, sculptural presence. Subtle and grounded, it brings a considered sense of materiality to modern interiors.
