Tiro 1 Light DIY Wall Sconce with Pull Cord in Textured Black

SKU: 309230

$99.95 (inc GST)

Details

The Tiro collection of wall brackets exemplifies sleek functionality with its clever design. Each piece is a rounded and bent metal form, incorporating a modest shelf that cradles the lamp holder and globe. The addition of a discrete pull cord allows for effortless operation, and the innovative design can be inverted to accommodate both left and right-hand use, showcasing its versatile and user-friendly nature.
Ideal for bedsides and study nooks, the Tiro offers focused illumination without compromising on style. Its DIY plug-in feature means it can be easily installed without the need for complex wiring, making it a convenient choice for immediate use.
In terms of aesthetics, the Tiro is available in a palette of black, white, and aged brass finishes. The black option delivers a bold and modern touch, while the white offers a clean and subtle appearance that blends seamlessly into lighter decors. The aged brass finish exudes a classic and warm feel, adding a vintage charm that can elevate any space.
With its smart design and range of colour options, the Tiro collection provides not just a source of light but also a stylish and functional addition to your home. Whether illuminating the pages of a book in a cosy reading corner or shedding light on the tasks at your bedside, the Tiro brings both elegance and practicality to your personal space.
