

Trace Flair Pendant in Black

SKU: 011976

Details

The Trace wire pendant features a sculptural open-wire design finished in black, creating a lightweight yet striking statement in modern interiors. Its flowing metal framework forms distinctive silhouettes that allow the globe to remain visible, casting decorative shadows and adding visual texture to the space. Suitable for taller ceilings, stairwells or voids, and available in four unique shapes – flair, squat, cloud and drop – pendants can be installed individually or grouped together to create a layered lighting feature.
