**Details**

The Traviato spot combines premium natural stone with modern functionality, making it a refined addition to any space. Available in travertine with bronze accents or lava stone with black detailing, this spotlight suits kitchens, open spaces, hallways, and accent lighting for desks or artwork. Each Traviato spot is crafted from solid stone, with unique patterns and textures that ensure every piece is one-of-a-kind. The natural variations in travertine and lava stone add bespoke character to your interiors. Designed to complement the broader Traviato range of pendants and wall sconces, this spotlight completes a cohesive and luxurious lighting scheme.
