

Tread LED Colour-Switching Round Indoor Step Light in White

SKU: 300854

Details

The Tread LED step light, available in black or white, offers a sleek and functional lighting solution for modern spaces. Designed for step or hallway applications, it seamlessly blends into various environments with its simple and affordable design.
Crafted to minimise glare, the Tread LED step light features an eyelid style, ensuring comfortable illumination without harshness. Incorporating CCT technology, it allows for adjustable colour temperature, though the desired setting must be selected during installation.
