Details

Designed to bring adaptable lighting and refined simplicity to contemporary interiors, the UNO range pairs clean architectural forms with an interchangeable GX53 globe system.
The UNO 192mm GX53 Mini Flush Mount in Black is made for smaller spaces where every detail matters. Its compact, strikingly simple profile gives conventional flush mount lighting a crisp modern edge, while the black finish creates a confident accent without overwhelming the ceiling.
This mini flush mount is compatible with 152mm GX53 globes, allowing the light source to be replaced and your preferred light output and colour temperature to be selected. Globe sold separately.
Explore the wider UNO family, including black and white mini flush mounts, pendants, larger 250mm and 270mm flush mounts in minimalist and specialty finishes, plus streamlined exhaust fans.
