

Uno 250mm GX53 Flush Mount in Black

SKU: 080033

Details

Designed to bring adaptable lighting and refined simplicity to contemporary interiors, the UNO range pairs clean architectural forms with an interchangeable GX53 globe system.
The UNO 250mm GX53 Flush Mount in Black distils ceiling lighting into a crisp, minimalist form. Its slim metal profile and strong monochrome finish sit neatly against the ceiling, creating a graphic yet unobtrusive look for bedrooms, kitchens, dining rooms and living spaces.
Unlike a fixed integrated LED fitting, the interchangeable globe design allows the light source to be replaced without changing the entire fixture. This model is compatible with both 200mm and 220mm GX53 globes, giving you flexibility over light output and colour temperature. Globe sold separately.
Explore the wider UNO family, including pendants, mini flush mounts, 250mm and 270mm flush mounts in black, white and specialty finishes, plus streamlined exhaust fans for a coordinated interior.
