

Uno 250mm GX53 Flush Mount in Bronze

SKU: 080020

Details

Designed to bring adaptable lighting and refined simplicity to contemporary interiors, the UNO range pairs clean architectural forms with an interchangeable GX53 globe system.
The UNO 250mm GX53 Flush Mount in Bronze enriches the range's streamlined profile with a warm, sophisticated finish. Its low-profile metal form sits close to the ceiling for an uncluttered look, while the bronze tone adds depth and understated luxury to bedrooms, hallways, living areas and dining spaces.
Unlike a fixed integrated LED fitting, the interchangeable globe design allows the light source to be replaced without changing the entire fixture. This model is compatible with both 200mm and 220mm GX53 globes, giving you flexibility over light output and colour temperature. Globe sold separately.
Explore the wider UNO family, including pendants, mini flush mounts, 250mm and 270mm flush mounts in minimalist black and white or expressive concrete, opal glass, gypsum, walnut and oak finishes, plus streamlined exhaust fans.
