

Uno 270mm GX53 Flush Mount In Concrete

SKU: 080780

$159.00 (inc GST)

Details

Designed to bring adaptable lighting and refined simplicity to contemporary interiors, the UNO range pairs clean architectural forms with an interchangeable GX53 globe system.
The UNO 270mm GX53 Flush Mount in Concrete gives the streamlined UNO silhouette an architectural, tactile edge. The honest materiality and soft grey tone of concrete introduce quiet texture, making this close-to-ceiling light a natural fit for modern kitchens, laundries, bedrooms and dining areas inspired by industrial or contemporary design.
Unlike a fixed integrated LED fitting, the interchangeable globe design allows the light source to be replaced without changing the entire fixture. This model is compatible with both 200mm and 220mm GX53 globes, giving you flexibility over light output and colour temperature. Globe sold separately.
Explore the wider UNO family, including pendants, mini flush mounts, 250mm and 270mm flush mounts in minimalist and specialty finishes, plus streamlined exhaust fans.
