

Varilla LED Sunset Dimmable Wall Bracket in Black

SKU: 190674

$349.00 (inc GST)

Details

Varilla Pendant & Wall Bracket Collection

The Varilla collection seamlessly combines sleek modern design with advanced functionality, available in both pendant and wall bracket styles. Featuring a striking double-glass design, each fixture includes a clear outer glass shade and an inner frosted acrylic tube for soft, diffused illumination. Available in black or white finishes, the Varilla is IP44-rated, making it ideal for bathrooms, powder rooms, or kitchen islands.

Equipped with sunset dimming technology, the Varilla transitions from a bright 3000K warm white light to a cosy 2000K incandescent glow. This makes it perfect for spaces where you need ample task lighting but also want the option to create a soft, moody ambiance for a relaxing, day spa-inspired atmosphere.

With its versatile pendant and wall bracket designs, the Varilla collection offers style, practicality, and a calming aesthetic for any space.

TIP: Install wall brackets beside a mirror for balanced, flattering light, and use pendants over vanities or kitchen islands to create a cohesive and elegant lighting scheme.
