

Vera Table Lamp in White

SKU: 271653

Details

The Vera table lamp features a ceramic base paired with a matching fabric shade, available in white, khaki, terracotta and ink finishes. The textured ceramic base adds character, while the tonal fabric shade gently diffuses light to create a warm and comfortable glow. A versatile piece, the Vera table lamp is ideal for bedside tables, consoles or living room styling, adding both colour and texture to the space.
