

Viento Fluted Shade Only in Natural

SKU: 011925

Details

The Viento fluted shade features a pleated design crafted from natural materials, available in natural fabric, bleached hessian or raffia finishes. The softly fluted silhouette creates texture and movement while allowing light to filter gently through the material for a warm, ambient glow. Handmade in Spain, the shade reflects a focus on natural fibres and tonal finishes that suit coastal, natural and classic interiors. Its generous diameter makes it ideal as a feature pendant in living areas, bedrooms or dining spaces. The Viento shade is designed to pair with Create II suspension cords and is also compatible with Manor and Darly suspensions when used with the appropriate shade adaptor, allowing flexibility when styling your pendant installation.
