

Vynco Metro 4 Gang Plate Only in Matte White

SKU: 299402

$11.95 (inc GST)

Details

The Vynco Metro grid plates are designed to perfectly complement the Vynco Metro range of switches. Available in matte white and matte black finishes, these grid plates feature a modern, slimline profile that integrates seamlessly into any space. Offered in 1G to 6G configurations, the Vynco Metro grid plates are compatible with standard mechanisms as well as Vynco mechanisms, providing flexibility and ease of use for a variety of installations. With 84mm mounting centres, they ensure a straightforward and secure installation process. Built for both residential and commercial applications, the Vynco Metro grid plates are the ideal choice for a clean, stylish, and durable finish. Trust in the quality and performance of these plates to complete your project with confidence. Backed by a 5 year warranty.
