

Vynco Metro Blank Face Plate Only in Matte White

SKU: 299395

Details

The Vynco Metro blank plate offers a sleek and stylish solution for replacing any old power point or switch that is no longer needed. With its 6mm slimline profile, this blank plate seamlessly blends into any modern space while providing a clean, minimalistic look. Available in timeless matte black and matte white finishes, the Vynco Metro blank plate also gives you the option to upgrade and customise with a Vynco Urban fascia. Choose from black, white, or brushed aluminium to perfectly match your interior. Designed with 84mm standard mounting centres, the Vynco Metro blank plate ensures a simple and hassle-free installation. Backed by a 5-year warranty, you can trust in the durability and quality of this versatile blank plate for years to come.
