

Vynco Urban Twin GPO Fascia Only in Annodized Brushed Aluminium

SKU: 299386

Details

The Vynco Urban range is a collection of premium fascia covers designed to customise the Vynco Metro range. Available in white glass look, anodized brushed black, and anodized aluminium finishes, the Urban cover plates add a sophisticated edge to your switches, blending style and functionality seamlessly. Simply pair your Vynco Metro products with Urban covers to elevate their appearance, merging sleek, modern design with exceptional durability. Whether you're aiming for contemporary minimalism or understated elegance, the Urban range offers the perfect finishing touch for any interior. The Vynco Urban fascia covers the entire Vynco Metro range, ensuring a seamless, cohesive look across your installations. Backed by a 5-year warranty, these facias offer long-lasting performance and peace of mind, making them the ideal choice for both residential and commercial applications.
