## Details

Curated with intent, Haus & Co brings together a collection of our favourite designers and homewares from Australia and beyond. Designed in Melbourne and then cast in resin, White Moose offers a unique collection of sculptures that are whimsical, fun and beautiful. With a strong focus on products with personality and purpose – White Moose has turned gift giving & home decorating on its head, while also giving back to the community and the planet. For each product purchased, White Moose will plant a tree and they've also worked with a number of charities providing bushfire relief as well as care to venerable animals. Style Tip: Create an eye catching vignette buy pairing a unique sculpture with your favorite lamp, or cluster on a hall table with our collection of Haus & Co candles and homewares that have been carefully curated to blend into any décor.
