Details

The Yolk round pendant range in opal with a chalk suspension features a clean, minimalist orb design with softly diffused acrylic shades. The simple spherical form creates a refined look suited to contemporary interiors, while the glowing opal finish provides soft, even illumination across the space. Designed for an ES globe up to 45W, the Yolk range is available in 500mm, 600mm and 800mm sizes to suit a variety of applications from dining areas to larger void spaces. A 3000mm suspension supports flexible installation across standard and high ceilings, while clustered arrangements create a more dramatic architectural statement.
