Details

The York II CCT track spot combines a simple, modern design that complements a wide range of interiors. Available in white or black, it features 4-way CCT control, making it easy to adjust the colour temperature to fit different environments. This track spot is well-suited for kitchens, open spaces, and hallways. Its 4-way CCT function provides flexible lighting options, enabling fixed colour temperature selection via the switch on the product or control through the wall switch, ensuring compatibility with most decors. Constructed from plastic and metal, the York II offers durability along with easy installation. Backed by a 3-year warranty, it delivers both practical and stylish lighting solutions for various settings.
