Details

The Zesta downlight is a high-quality lighting solution that offers energy efficiency, versatility, and durability. It is available in four finishes - white, black, white and chrome, and black and chrome - that complement modern interior design. This compact but powerful downlight boasts a wattage of 8W and a maximum lumen output of 750. Its colour temperature range of 3000K-4000K-5000K provides a choice of lighting tones, while the 3CCT Via Wall Switch technology allows easy switching between them. The Zesta downlight is dimmable, features a CRI of 90, and is rated IP44, making it safe to use in damp environments after installation. It also comes with a 5-year warranty, providing long-term assurance of its quality.
