

Zimi Cloud Connect

SKU: 299183

Details

Zimi Cloud Connect provides key features to all Powermesh devices and is essential if you want to use the Zimi app remotely and voice control your Powermesh products. It connects your Powermesh network to the internet, provides sunrise and sunset times for schedules, keeps a history of your power usage, and will help future-proof all your Powermesh products with feature updates delivered through the Zimi app. Only one Zimi Cloud Connect is required per home and you can install it yourself in three easy steps. Just make sure you have an active internet connection.
Visit www.zimi.life to learn more about how you can make life easier and smarter every day.
