

STRIX III TIMBER SHADE

SKU# 028176, 028177

NOTE: This instruction manual is the installation directions for the shade only.

The luminaire is sold separately, refer to the instruction manual included with the luminaire for installation directions.

To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this product. Please keep instructions for future reference.

Warranty

- This product is covered by a 12-months warranty valid for in-store replacement or refund only.
- The warranty period starts from the date of purchase. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with instructions in this manual may increase the risk of damage or injury and will void the warranty.

Installation Requirements

- This installation instruction is for the shade only. No electrical wiring connection or disconnection is required for installation of the shade. The service of a licensed electrician is not required.
- The luminaire (sold separately) must be assembled and installed by a licensed electrician.
- Lay out all the components on a smooth surface and make sure no components are missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the luminaire has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.
- Ensure power to the circuit you are working on has been switched OFF before commencing any electrical work.

Installation Directions

NOTE: Ensure power to the luminaire (sold separately) you are working on has been switched OFF before commencing any electrical work.

1. Remove all packaging material from the product and be careful not to throw away accessories that may be hidden within the packaging material. If assembly is required, place the product on a smooth non-scratch surface.

Note: the suspension of the pendant should be at least 30cm when installing the shade.

2. Timber divider blocks have been added inside each end of the shade to help support it during transportation. Please remove the divider blocks (4) from inside the shade and discard them safely. (Fig 1)
3. Insert the string into the opening on both sides (1), (3) of the shade. (Fig 1)
4. Rest the shade (2) onto the luminaire. (Fig 1)
5. Attach the end caps (5) of your chosen finish onto both sides of shade (2). (Fig 1)

Note: end caps included: SKU028176 - black, white, brushed chrome, aged brass finish.

SKU028177 - black, white, aged brass finish, bronze finish.

6. Enjoy your new shade with the luminaire. (Fig. 2)

Note: The suspension of the pendant should be at least 30cm when installing the shade.

Safety Tips

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning, changing the globes or making any adjustment to the luminaire.
- To avoid injury or damage to the luminaire, ensure that power leads and screws are secure before connecting power.
- Select a suitable location away from liquids and hazards.
- To clean wipe with a soft damp cloth. Do NOT soak or immerse the luminaire in water or other liquids.
- Ensure that the luminaire does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
