

RAYA LARGE 2M POST

SKU# 221164

To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of the product. Please keep instructions for future reference.

Warranty

- This product is covered by a 5-year warranty from the date of purchase. Please retain proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void warranty.

Installation requirements

- Select a suitable location for installation.
 - This product is suitable for outdoor use only.
 - A flat ground mounting foundation must be prepared with the anchor bolts supplied to complete installation.
 - This product is compatible with **SKU#221161(Sold separately)** only.
 - Ensure it is installed onto a solid mounting surface to provide adequate support for the luminaire.
 - Do not install the product in a position where sunlight cannot reach the solar panel.
- Lay out all the components on a smooth surface and make sure there are no components missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the product has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.

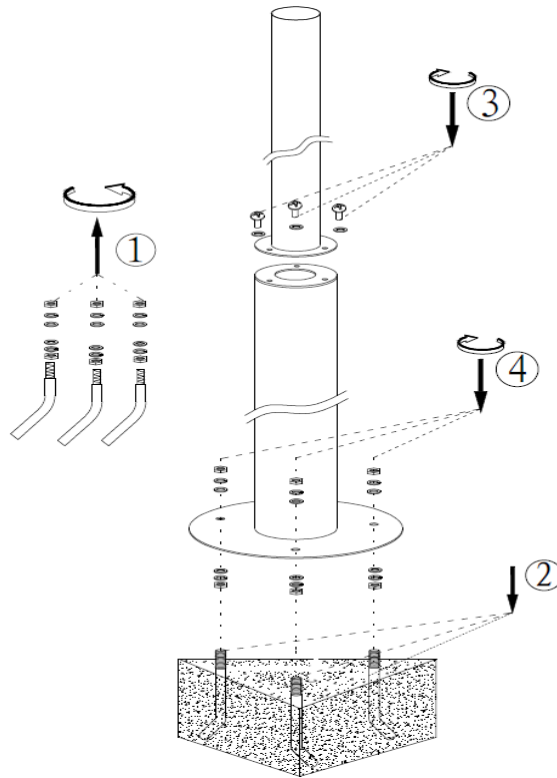

Installation directions

1. Remove all packaging material from the product and be careful not to throw away accessories that may be hidden within the packaging materials.
2. Unscrew the washers and nuts from the anchor bolts (1).
3. Select a suitable location to install this product. Use the 3 mounting bolts hole of the base tube as a template to position the anchor bolts into the mounting surface (2).

NOTE: Ensure there is 27mm of threaded rod exposed from the mounting surface.

Ensure it is installed into a solid mounting surface such as concrete or similar material to provide adequate support for the luminaire post.

4. Place a washer, locking washer and mounting nut on each anchor bolt before placing the base tube (2).
5. Now mount the top pole onto the base tube by aligning the screw positions and secure with the washer and nuts provided (3).
6. Now fix the base tube with the top pole on to the anchor bolts by aligning the base tube hole into the anchor bolts and secure by tightening the washer, locking washer and mounting nut (4).
7. After installation, attach **SKU#221161- (sold separately)** onto the top pole of this product.

Safety tips

- Do not drop the system or make impact to the system.
- Do not install the product in a position where sunlight cannot reach the solar panel.
- Young children should be supervised to ensure that they do not play with the post.
