

LUCE LED NIGHT LIGHT

SKU# 250870

Rated Voltage 4.5V DC

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this product. Please keep the instructions for future reference.

Warranty

- This luminaire is covered by a 12 month warranty from the date of purchase. Please retain proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void warranty.

Installation Requirements

- **Battery:** 3 x 1.5V AA battery (Not included).
- Select a suitable location for this product:
 - This luminaire is not waterproof.
 - This luminaire is suitable for indoor use only.
 - Keep away from liquids, dusty, humid, direct sunlight or hot areas.
- Lay out all the components on a smooth surface and make sure there are no components missing. If parts are missing, return the complete luminaire to the place of purchase for inspection or replacement.
- Check whether the luminaire has been damaged during transport. Do not operate/install any luminaire which appears damaged in any way. Return the complete luminaire to the place of purchase for inspection, repair or replacement.

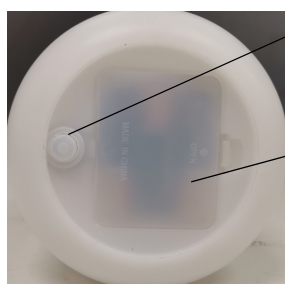

Operation Directions

Battery installation/Replacement

1. Open the bottom of the product.
2. Pull the tab and lift out the battery compartment lid from the battery compartment. Install 3 x AA batteries (Not included) into the battery compartment. Ensure the batteries are inserted with the correct polarity.
3. Install the battery box lid back over the battery compartment and ensure it is secure.

Operation

1. Use the 'On/Off' switch to turn the luminaire on and off.
2. Press 'On/Off' switch once for the warm white flame mode.
3. Press 'On/Off' switch twice for the cool white mode.
