

CUMULUS PORTABLE LAMP WITH WIRELESS CHARGER

SKU# 250911

Rated Voltage 5V DC / 9V DC

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of the product. Please keep the instructions for future reference.

Warranty

- This product is covered by a 3-year warranty. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

Installation requirements

- Select a suitable location for the luminaire;
 - Ensure it is on a flat and stable surface.
 - This product is suitable for indoor use only.
 - Do not place flammable material near or over the luminaire.
 - Ensure the luminaire is not placed next to any air vents and is not in any moist or damp areas.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure no components are missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the luminaire has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.

Operation directions

Luminaire operation:

1. Connect the USB cable with the USB input port and the appropriated power adaptor.
2. Touch the LED on/off key to switch the light on and off.
3. Long press the LED on/off key to adjust the brightness of the luminaire.

Wireless charging:

NOTE: The wireless charger is only compatible with Qi-compatible devices; only charge devices that are compatible. If unsure, check the user manual of your device.

1. Place your device on the wireless charging area. Make sure the device is positioned over the cross symbol.
2. The charging will activate automatically. Check the status of your device to ensure it is charging.

NOTE: Adjust the position of the device if the charging is not activated. The status indicator will be green if it is charging, and will be red when fully charged.

NOTE: Please ensure an appropriate power adaptor is used according to the rated input (5V DC, 2A Max. / 9V, DC 1.8A Max.) of this product.

Safety tips

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning or adjustment to the luminaire.
- To avoid injury or damage to the luminaire, ensure that the power lead is secure before connecting the power.
- The luminaire is not a toy. Young children should be supervised to ensure that they do not play with the luminaire.
- Do not place any metal objects on the wireless charging area.
- Handle the luminaire with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards.
- Ensure that the luminaire does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
- To clean, wipe with a damp clean cloth. Never soak the luminaire with water.
