

ODETTE LED TABLE LAMP

SKU# 259310, 259311, 259312

Rated Voltage 5V DC, 1A

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of the product. Please keep the instructions for future reference.

Warranty

- This product is covered by a 12-months warranty. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

Installation requirements

- Select a suitable location for the luminaire;
 - Ensure it is on a flat and stable surface.
 - This product is suitable for indoor use only.
 - Do not place flammable material near or over the luminaire.
 - Ensure the luminaire is not placed next to any air vents and is not in any moist or damp areas.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure no components are missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the luminaire has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.

Operation directions

Operation:

1. Remove all packaging material from the product.
2. Select a suitable location for the table lamp. See the installation requirements above.
4. Press the touch switch on the top of the luminaire to adjust the brightness of the light and turn it on/off;
 - Press once, the light will be on and reach 10% of the full brightness;
 - Press twice, the light will be 50% of the full brightness;
 - Press third time, the light will be 100% of the full brightness;
 - Press fourth time, the light will be off.

Batteries and charging:

NOTE: The luminaire includes a re-chargeable Li-Battery. The battery is non-replaceable. Do not attempt to replace the battery. When the battery reaches its end of life, the whole luminaire shall be replaced.

To charge the luminaire, plug the provided USB cable into the charging port and connect the USB cable to a power adaptor.

NOTE: Please ensure an appropriate power adaptor is used for charging according to the rated input (5V DC, 1A) of this luminaire.

Safety tips

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning or adjustment to the luminaire.
- To avoid injury or damage to the luminaire, ensure that the power lead is secure before connecting the power.
- The luminaire is not a toy. Young children should be supervised to ensure that they do not play with the luminaire.
- The luminaire includes a built-in Li-ion battery. The battery of this luminaire is not replaceable; when the battery reaches its end of life, the whole luminaire shall be replaced. Contact your local council to safely dispose of equipment with a built-in battery.
- Handle the luminaire and shade with care to avoid any damage or breakage.
- Select a suitable location away from direct sunlight and hazards.
- Ensure that the luminaire does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
- To clean, wipe with a damp clean cloth. Never soak the luminaire with water.
