

GLO LED MULTI LIGHT TORCH

SKU# 259330

Rated Voltage 4.5V DC

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this product. Please keep the instructions for future reference.

Warranty

- This product is covered by a 12-month warranty from the date of purchase. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

Installation Requirements

- **Battery:** 3 x 1.5V AA battery (Not included).
- Select a suitable location for this product:
 - This product is not waterproof.
 - This product is suitable for indoor use only.
 - Keep away from liquids, dusty, humid or hot areas.
- Lay out all the components on a smooth surface and make sure no components are missing. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the product has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.

Operation Directions

Battery installation/Replacement

1. Open the battery compartment on the back of the product.
2. Pull the tab and lift the lid out. Install 3 x AA batteries (Not included) into the battery compartment. Ensure the batteries are inserted with the correct polarity.
3. Install the lid back over the battery compartment and ensure it is secure.

Operation

1. Use the 'On/Off' switch to turn the lights on and off. Switch to '1' to turn on the multi-purpose light; switch to '2' to turn on the torchlight.

Safety Tips and Warnings

- This product is NOT a toy. Keep out of reach of small children.
- Young children should be supervised to ensure that they do not play with this product.
- The light source of this luminaire is not replaceable; when the light source reaches its end of life, the whole luminaire shall be replaced.
- Remove batteries from the product when not in use for long periods of time.
- To clean, wipe with a soft damp cloth or duster. Do NOT soak or immerse the product in water or other liquids.
- Ensure that the lantern does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
