

WILLOW FLOOR LAMP

SKU# 269160, 269169

Rated Voltage 220-240V~ 50Hz

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this product. Please keep instructions for future reference.

Warranty

- This light fitting is covered by a 12 month warranty from the date of purchase. Please retain proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the fitting.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void warranty.

Installation Requirements

- Select a suitable location for installation:
 - Ensure it is on a flat and stable surface.
 - This product is suitable for indoor use only.
 - Do not place flammable material near or over the fitting.
 - Ensure the fitting is not installed in direct line of an air vent/system.
 - If the fitting is placed in an area prone to moisture, ensure that the area is well ventilated and an appropriately rated exhaust fan is used if required. Damage or corrosion caused by moisture is not a product fault, and as such is not covered under warranty.
- Do not exceed the maximum wattage rating.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure there are no components missing before assembling.
 - If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the fitting has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.
- Do not plug into the mains power socket outlet before or during assembly. Only do so after the portable lamp is fully assembled with the globe installed and is ready to use for the first time.

Installation Directions

1. Remove all packaging material from the product.
2. Rotate and install the bottom rod (H) onto the base (I). Followed by the centre rod (G) onto the bottom rod (H) and then the top rod (F) onto the centre rod (G).
3. Install the lamp (E) onto the top rod (F) and secure by tightening the handle (D).
4. Install the clips (A) onto the rods (F, G, H) and attach the cord into the clips (A).
5. Install a globe (not included) into the lamp holder. Do not exceed the maximum wattage rating.
6. Select a suitable location for the portable lamp. See the installation requirements above.
7. Adjust the shade (E) to the desired angle. Do not adjust the shade (E) more than 90° as this may damage the internal wires.
8. Insert the plug (B) into the mains power socket outlet and ensure it is fully plugged in.
9. Turn power on at the mains power socket outlet.
10. Use cord line switch (C) to turn the lamp on/off.

NOTE: When adjusting the shade, do not adjust more than the 90° angle shown below, as this may damage the internal wires.

Safety Tips

- Always ensure the power is OFF and the fitting has cooled down before performing any maintenance, cleaning, changing the globe or adjustment to the fitting.
- During normal operation the shade may be hot to touch. If any adjustment needs to be made, please touch the bottom section of the shade or wait until the fitting has cooled down.
- The external flexible cable or cord of this luminaire cannot be replaced; if the cable or cord is damaged, the luminaire shall be destroyed.
- To avoid injury or damage to the fitting, ensure any power leads or screws are secure before connecting the power.
- Young children should be supervised to ensure that they do not play with the portable lamp.
- Handle the fitting and/or shade with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards.
- To clean, wipe with a soft damp cloth. Do NOT soak or immerse the product in water or other liquids.
- Ensure that the fitting does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
