Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this product. Please keep the instructions for future reference.

### Warranty

- This luminaire is covered by a 12-month warranty from the date of purchase. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the luminaire.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

### Installation Requirements

- Select a suitable location for this luminaire:
  - Ensure it is on a flat and stable surface.
  - This product is suitable for indoor use only.
  - Do not place flammable material near or over the luminaire.
  - Ensure the luminaire is not installed in the direct line of an air vent/system.
  - If the luminaire is placed in an area prone to moisture, ensure that the area is well ventilated, and an appropriately rated exhaust fan is used if required. Damage or corrosion caused by moisture is not a product fault, and as such is not covered under warranty.
- Do not exceed the maximum wattage rating.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure no components are missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the luminaire has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.
- Do not plug into the mains power socket-outlet before or during assembly. Only do so after the portable lamp is fully assembled with the globe installed and is ready to use for the first time.
