Set up Routines for
your lights

Create ambience
in your home

NEW

A. GE Imagine smart light starter kit – Google Nest Mini and GE Imagine smart ES bulb.

Google and Google Nest Mini are trademarks of Google LLC. GE Imagine is a smart bulb distributed by Light Source Solutions that pairs with a Google Account and uses Google's services to connect to the internet. For setup and full feature access including remote control, mobile alerts, and software updates, GE Imagine requires a compatible assistive device (full list available at g.co/nest/assistivedevice) and a working internet connection over Wi-Fi, the free Google Home app, and an active Google Account. Minimum requirements are available at g.co/nest/devicereq. Availability and performance of certain features are service-, device-, and network-dependent and may not be available in all areas. All features, functionality, and product specifications are subject to change without notice or obligation.
