DESIGNER COLLECTION

Bring your design dreams to life with our premium lighting design service. Be it a renovation, makeover or new build, your project will be assigned an experienced lighting designer who will create a customised lighting plan that will dramatically enhance the aesthetics and functionality of your space.

This premium service is available at selected **Design Studio stores for $250**, which is fully redeemable at any of our Design Studios when you spend $1000 or more on any Beacon Lighting products.

In Home Lighting
Design Service

With Beacon's In Home Lighting Design service, one of our accredited lighting designers will come to your home and work with you to design the perfect lighting plan for your needs and budget. This inspiring service is only $100, which is fully redeemable upon your next Beacon Lighting purchase. Alternatively, visit us in-store for a FREE in-store consultation.

To book one of our lighting design services, simply phone **1300 BEACON**, or visit us in-store or **online beaconlighting.com.au/design**

Need a lighting plan?

Elevate your style with our inspiring lighting design services.
