SKU# 250900, 250901, 250902, 250903

Rated Voltage 5V DC

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of the product. Please keep the instructions for future reference.

### Warranty

- This product is covered by a 3 year warranty from the date of purchase. Please retain proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void warranty.

### Installation Requirements

- Select a suitable location for this luminaire:
  - Ensure it is on a flat and stable surface.
  - This luminaire is suitable for indoor use only.
  - Do not place flammable material near or over the luminaire.
  - Ensure the luminaire is not installed in direct line of an air vent/system.
  - If the luminaire is placed in an area prone to moisture, ensure that the area is well ventilated and an appropriately rated exhaust fan is used if required. Damage or corrosion caused by moisture is not a product fault, and as such is not covered under warranty.
- This portable lamp is with only USB cable but not with a power adapter.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure there are no components missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the luminaire has been damaged during transport. Do not operate/install any luminaire which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.
- Do not plug into the mains power socket outlet before or during assembly. Only do so after the luminaire is fully assembled and is ready to use for the first time.

### Installation Directions

Remove all packaging material from the luminaire.

1. Install the standing rod to the base by tightening the screw used the provided Allen key.
2. Install the luminaire part to the standing rod.
3. Lock the luminaire part on the standing rod by tightening the screw.
4. Adjust the arms to your preferred lighting angle. Ensure the portable lamp is stable after adjusting the arms.
5. Plug the USB cable on an appropriate power adapter or an equipment which provides USB output.  
**NOTE: It is recommend to use adapters or the equipment, which can provide at least 1A current in the USB output to achieve the best performance of the luminaire.**
6. Use the cord line switch for on/off and dimming.
  - Tap the switch once and the luminaire will turn on at maximum brightness.
  - Tap the switch a second time and the luminaire will be at medium brightness.
  - Tap the switch a third time and the luminaire will be at minimum brightness.
  - Tap the switch a fourth time and the luminaire will be turn off.

## Safety Tips

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning or making any adjustment to the luminaire.
- To avoid injury or damage to the luminaire, ensure that power leads and screws are secure before connecting the power.
- Young children should be supervised to ensure that they do not play with the portable lamp.
- Handle the luminaire and/or shade with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards.
- To clean, wipe with a soft damp cloth. Do NOT soak or immerse the luminaire in water or other liquids.
- Ensure that the luminaire does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
