

40 LED Copper Wire Lights

SKU# 299005

Rated Voltage 3VDC

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before using the product. Please keep instructions for future reference.

Warranty

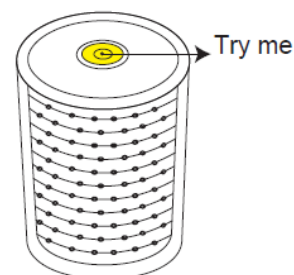

- This light fitting is covered by a 12 month warranty. Please retain proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the fitting.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void warranty.

Installation requirements

- This fitting is a DIY (Do It Yourself) product, no electrical wiring connection or disconnection is required. The service of a licensed electrician is not required.
- The fitting is suitable for indoor use only.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure there are no components missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the fitting has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.

Installation directions

1. Press the “Try-me” button on the plastic box to check the fitting performance.
2. Remove all packaging material from the fitting.
3. This light chain comes fully assembled. Slide and open the battery compartment cover, install the 2 x 1.5V AA batteries (Not included) in the compartment. Please make sure the polarity of battery is correct. Replace the battery compartment cover.
4. Hang up the light chain on your preferred place.
5. Slide the switch on the battery compartment to “ON” position and light up the light chain.

Safety tips

- This product is for decoration only. Not to be used as a toy. Keep away from small children.
- This product has small parts, which may pose a choking hazard if detached.
- Keep away from the fire and sources of heat.
- Don not cover, puncture, shorten or splice this product.
- This light set is constructed with non-replaceable bulbs, DO NOT attempt to replace any of the bulbs in the light set.
- Keep away from water and liquids
