A modern living room interior featuring a large window on the left with a view of a garden. The room has light-colored wood paneling on the left wall, a large white cabinet with a brick fireplace below it, and a dark leather armchair on the right. A glass coffee table with a geometric pattern is in the foreground, holding a copper pitcher, a glass, and books. A ceiling fan with three blades is hanging from the ceiling. A blue banner with white text is overlaid at the bottom left.

- In November 2021, the Lighting Council Australia (LCA) awarded Beacon Lighting with the Sustainability Award for demonstrating “a long-standing commitment to advancing the sustainability and environmental aims of LCA”
- The Beacon Lighting Group has continued to innovate and develop the latest energy efficient globes, lighting and fan products for Australia and other parts of the world

4

H2 FY2022 OUTLOOK

- Company store comparative sales have made an encouraging start to H2 FY2022
- Development of new trade products, delivery of the enhanced trade marketing program and the continued development of the Trade Loyalty Club will continue to improve the Trade Club customer experience
- Continue to grow the new international sales channels leading into the Northern Hemisphere summer
- Work with our design and development team to ensure further product development and our supply chain partners to ensure continuity of supply
- Manage the Auburn (NSW) and Southport (QLD) property development projects for future Beacon Lighting stores
- Open new stores at Butler (WA) and Tuggerah (NSW) and strategically reinvest in existing stores

A bedroom scene featuring a bed with a quilted yellow coverlet and several pillows in white, yellow, and dark blue. A bedside table holds a modern lamp with a circular, ribbed, glowing shade on a white marble base. Next to the lamp are three small, rounded glass vases in amber and dark tones, resting on a dark book. The background shows a window with a patterned curtain.

5

QUESTIONS

A modern kitchen interior featuring a white marble countertop, a brass faucet, and a track lighting fixture with six black cylindrical lights. A large window is visible in the background, and a potted plant sits on the counter.

APPENDICES

DISCLAIMER

The presentation contains “forward-looking statements”. All statements other than those of historical facts included in the presentation are forward-looking statements. Where the Group expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, forward-looking statements are subject to risks, uncertainties and other factors, which could cause actual results to differ materially from future results expressed, projected or implied by such forward-looking statements. The Group will not necessarily release publicly any revisions to any such forward-looking statement.

The presentation contains general background information about the Group and its activities current as at the date of this presentation. The information in this presentation is in summary form only and does not contain all the information necessary to fully evaluate whether or not to buy or sell shares in the Group. It should be read in conjunction with the Group’s other periodic and continuous disclosure announcements lodged with the ASX, which are available at www.asx.com.au.

This presentation is not a prospectus, disclosure document or other offering document. It is for information purposes only and does not constitute an offer, invitation or recommendation to subscribe for or purchase any security and does not form the basis of any contract or commitment.

NON-IFRS FINANCIAL MEASURES

The Group’s results are reported under International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board. The Group discloses certain Non-IFRS measures in this presentation, that are not audited or reviewed by the Group’s auditor. The Directors believe the presentation of Non-IFRS financial measures are useful for the users of this presentation as they provide additional and relevant information that reflect the underlying financial performance of the Group.
