Wall sconce ○●●

Tall tile frame ○●●

Metal fascia also available ○●●●

Use your existing tile selection to create a wall light that effortlessly blends into its surroundings.

Award Winning Design

The Chameleon is the world's first customisable wall light that incorporates a tile. It delivers seamless minimalist lighting and, like its namesake, has the ability to subtly and elegantly blend into its surroundings. Chameleon is exclusive to Beacon Lighting.

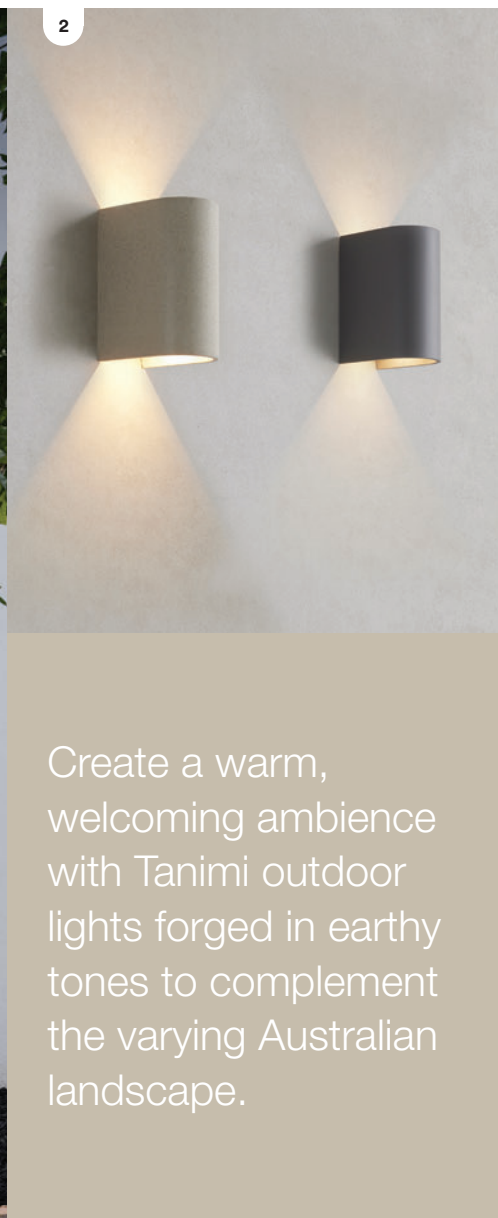

Select your wall sconce & tile.

Insert the tile.

Enjoy your creation!
