

# Airfusion Climate II 50 DC Fan Only in Charcoal

**\$429.00**

## SPECIFICATIONS

SKU	210527
Product Type	Fans
Brand	Lucci Air
Width / Diameter (mm)	1270
Height (mm)	330
Voltage	240V
Globe Quantity	0
Globe Included	No
Fan Speed Control	6 speed remote
Airflow (m3/min)	172
Fan Motor Wattage	35
Reversible	Yes
Fan Blade Type	Acrylic
No. of Blades	3
Fan Blade Size	Other
Blade Pitch (Degrees)	26
Ceiling Pitch (Degrees)	20 degrees
Warranty	2 years from date of purchase
Fan Location	Indoor Use Only
Style	Art Deco, Industrial, Modern, Scandinavian
Colour	Charcoal

## DESCRIPTION

Airfusion Climate 127cm DC fan in charcoal with charcoal blades complete with 6 speed remote controller. Light adaptable ( sold separately)

New technology DC (direct current) ceiling fan uses approximately 40% less electricity whilst producing the same airflow. The Climate II fan is slightly smaller than the Climate I at 50 inches (127cm) and has 3 acrylic blades. The acrylic blades are beneficial because warping of the blades is eliminated. This makes it a perfect fan for the more humid areas of Australia. The curve in the blades gives the Climate II a modern designer feel and the smaller DC motor size helps to complement the style as well. It comes in the same colours as the Climate 1 but has a new addition with the modern charcoal colour. The charcoal colour would be suited to homes with darker wood finishes and homes that have an industrial feel with large open spaces. [Click here](#) for installation instructions.
