DESCRIPTION

Airfusion Akmani 152cm DC fan in oil rubbed bronze with wooden koa blades, complete with 6 speed remote control. Light adaptable (not included)

The Airfusion Akmani is a stylish 3 bladed energy efficient DC ceiling fan that comes complete with a 6 speed remote control and a high airflow of 222.7m³ per min. This fan is light adaptable and suggested lights would be the SKU 210244 or 210246. This fan would be perfect for a living/family room and would make a definite statement in any décor. Please note, when turning off the fan or the light via the remote, the remote control will make a beep sound [Click here](#) for installation instructions.
