## DESCRIPTION

Sculpt 1 light carve 120mm pendant in concrete with ashwood and chrome detail

The Sculpt range of pendants couple concrete with the soft tones of ashwood. The single pendant comes in 4 different geometric shapes with a black and white weave cloth covered cord. Try clustering the single pendants together at different heights with different shapes to create that unique designer look. Please note each product will differ slightly in appearance due to the natural raw material [Click here](#) for installation instructions.
