DESCRIPTION

Misty 1 light 2 globe large pendant in white with white interior

A great range that will suit the scandi revival trend is Misty. This is a classic shape in a muted colour palette, the Misty range will add a soft, sophisticated touch to a Scandinavian interior. . Made from metal, all have a white cloth cord and a matte finish and a white interior for optimum light output. These pendants work well in rooms with neutral colour palettes, whites, greys and soft timbers. The larger sizes will create a bold statement piece over a dining table, while the smaller sizes will work great as bedside lights or over a kitchen bench. Coloured pendants were used a lot on most recent series of The Block. [Click Here](#) For Installation Instructions
