DESCRIPTION

Reuben 1 light large black wire pendant with ash wood detail

The Reuben pendants create a scandi look with a refined urban industrial edge. Available in small, large, cage or coolie, the ash wood coupled with striking black or white wire will create a focal point in a room. Cluster different shapes at varied heights to create a unique look. The cage style of the Reuben pendants will create a focal point in a room and would work best over a dining table, in a living area or even in a bedroom. Mixing scandi with industrial will create a unique designer feel. These pendants would work well in interiors with pale timbers, black and white accents coupled with exposed bricks and rustic finishes. [Click here](#) for Installation Instructions
