## DESCRIPTION

Harper 1 light pendant in walnut with smoke glass

The new Harper range is another key Scandi look and will give your interior an organic feel. The Harper pendants are larger in scale with a height of 360mm.

The Harper pendants all have a white cloth covered cord, except the walnut with smoke glass which has a black cloth cord.

The natural, earthy tones of the Monte and Harper ranges will work well with simple whites and timbers, over a kitchen bench, as bedside or next to a sideboard.
